### About Euler Educators

Euler Educators is an educational initiative founded in May 2024 by Ogheneruemusua Gbakeji and Oghenetejiri Gbakeji. Our mission is to transform the educational landscape of Africa by providing **accessible, affordable, and holistic learning experiences** to students, especially those in underserved communities. Through digital innovations, teacher training, outreach, and real-time assessment technologies, we are redefining how education is delivered and experienced across Nigeria.

Our upcoming projects include the **Euler Space Platform**, **Euler Bookshop**, and **the largest online Math & Science competition in Nigeria**.

---

### Vision Statement

To become Africa's leading driver of educational innovation, equity, and access—reaching the remotest communities and equipping learners with skills to thrive globally.

---

### Mission Statement

To provide every student, regardless of location or background, with access to high-quality, tech-enabled, and community-powered education that transforms lives.

---
